The Holiday Shuffle

3:09 / DAYTIME RADIO

From The Christmas Connection

Album written and produced by Christian Kessner (Cekay)

His favourite title is Dad.

Christian Kessner is a happy man, and being a dad is a big part of why. Mention his family and you get a glimpse of the proud father behind the music. He's Vancouver through and through. Summer means a swim, winter means skis, and somewhere in there he finds time to run small businesses and make ceramics.

His friends call him K-Tel Records. Fair enough for a guy with a techno album called 40 Is the New 20, a Christmas record and a country album in the works. For a little of Christian's good cheer, cue up "The Holiday Shuffle."
